**Please note the following:**

- Surgery price includes rabies vaccination, flea and ear mite treatment, pregnancy termination, and ear tip
- Females that are VERY pregnant at time of surgery are at a greater risk of complications/death
- If you do not bring the rabies certificate to the appointment the cat will be administered the rabies vaccine. (rabies tag is NOT enough proof of the vaccine)
- Frankie's Friends requires the signing of a surgery consent form on the day of the procedure
- All feral cats must be in traps
- Drop off time will be at 9 a.m. and you will be notified by a volunteer as to when to pick up your animal
- **Application and PREPAYMENT required**
- Limited number of appointments are available
- All cats trapped MUST be released back to location they were trapped in
- Cats will remain in traps for 24 hours post surgery for their safety

By signing below I acknowledge that I will not hold Pet Friends, Inc. responsible or hold Pet Friends, Inc. liable in any way for any damages incurred during this event.
