DAY OF THE SHRED

SATURDAY, OCTOBER 19

12 p.m. – 2 p.m.

We know that you have a lot of old credit card statements, bank statements, income tax forms, insurance records, medical papers, retirement and pension papers, and anything that has your personal information on it. Please join State Representative Matthew R. Gergely's FREE "Day of the Shred" event and help prevent identity theft by shredding those personal documents. **We will also have an official there that will be able to collect expired or unneeded prescription drugs.**
